OBJECTIVE

My goal is to be associated with a company where i can utilize my skills and gain further experience while enhancing the company's productivity and reputation.

PROJECTS

● PRICE COMPARISION SITE FOR ONLINE SHOPPING

The project is designed to compare the price of goods and services from a range of providers, which will help consumer in making decision to choose product that will save their money through online.

● PORTFOLIO DESCRIPTION

The goal of portfolio project highlight your capabilities to potential client employers or collaborators. It provides concrete evidence of your past successes and gives into your working styles, problem solving abilities, and creative thinking

● BAD BANK MANAGEMENT SYSTEM

The system aims to streamline the process of identifying, acquiring, managing, and eventually recovering or liquidating distressed financial assets. It provides a robust platform for banks to minimize their financial risk and improve asset quality.
